

Course Title:	Medical Sociology
Coordinator /contact:	Dr Tomasz Ocetkiewicz/e-mail: tomasz.ocetkiewicz@uj.edu.pl
Responsible person/contact:	Dr Tomasz Ocetkiewicz/e-mail: tomasz.ocetkiewicz@uj.edu.pl
Teachers:	Prof. Beata Tobiasz-Adamczyk, PhD , mytobias@cyf-kr.edu.pl , beata.tobiasz-adamczyk@uj.edu.pl Tomasz Ocetkiewicz, M.D.,PhD, tomasz.ocetkiewicz@uj.edu.pl Anna Prokop- Dorner, M.S., PhD anna.prokop@uj.edu.pl Barbara Woźniak, M.S., PhD barbara.wozniak@uj.edu.pl Grzegorz Wójcik, M.S., PhD grzegorz.wojcik@uj.edu.pl Agnieszka Król, M.S., a.krol@uj.edu.pl
Address:	Chair of Epidemiology and Preventive Medicine, Departament of Medical Sociology, ul Kopernika 7
Year:	2-6
Total number of hours:	30
Lectures:	0
Seminars:	30
Labs/Practicals:	0
Others (e.g. recitation):	0
Exams:	written exam.
Conduct/Dress Code:	casual
Student's Evaluation:	During seminars, you will be required to prepare two PowerPoint presentations (approximately 15 minutes each) relating to carefully chosen peer-reviewed publications selected from leading scientific journals. You will receive your article one week before you are scheduled to present. We anticipate 2-3 article presentations during each class meeting. The articles should be read by the whole group so as to perform a discussion on the topic of the classes. (1) Not exceeding the maximum number of absences (2) Meeting the „article requirement” (3) Actively participating in classes
-attendance requirements:	You are allowed a maximum of one absence during the course.
-type of the final exam:	written exam: answer (essay) exam at the end of the course. The exam will consist of 10 real-life case studies in which you apply your expert knowledge of Medical Sociology acquired in the course of seminars, article presentations, and active class participation.
TEXT BOOK:	
<i>Sociology as applied to medicine</i> , Scambler Graham (most recent edition).	

	DATE	GROUP	TOPIC
I	1.10.2018 (Monday) Anatomy, Kopernika 12, Classroom A1 – group 2 Classroom A4 – group 5	2,5 8.15 –9.45	The role of Medical Sociology in medicine. Sociological concepts of health and illness. Psychosocial dimensions of subjective health. Symbolic meaning of illness.
	Anatomy, Kopernika 12, Classroom A4 – group 1 Classroom A1 – group 4 Conference Centre Faculty of Medicine UJ, Łazarza 16, Classroom 218- group 3	1,4,3 10.00 – 11.30	
II	08.10.2018 (Monday) Anatomy, Kopernika 12, Classroom A1 – group 2 Classroom A4 – group 5	2,5 8.15 –9.45	Sociology of the body. Cultural and social determinants of health and health-related behaviors.
	Anatomy, Kopernika 12, Classroom A4 – group 1 Classroom A1 – group 4 Conference Centre Faculty of Medicine UJ, Łazarza 16, Classroom 218- group 3	1,4,3 10.00 – 11.30	
III	15.10.2018 (Monday) Anatomy, Kopernika 12, Classroom A1 – group 2 Classroom A4 – group 5	2,5 8.15 –9.45	Psychosocial dimensions of subjective health. Psychosocial indicators of health. Scales measuring different dimensions of health
